What is Grammar ?

Grammar, rules of a language governing the sounds, words, sentences, and other elements, as well as their combination and interpretation. The word grammar also denotes the study of these abstract features or a book presenting these rules. In a restricted sense, the term refers only to the study of sentence and word structure (syntax and morphology), excluding vocabulary and pronunciation.

What is Poetry ?

Poetry is a type of literature based on the interplay of words and rhythm. It often employs rhyme and meter (a set of rules governing the number and arrangement of syllables in each line). In **poetry**, words are strung together to form sounds, images, and ideas that might be too complex or abstract to describe directly.
