

A top-down illustration of medical supplies on a light blue background. In the center is a clipboard with a red binder and a white sheet of paper featuring a red cross icon. To the right is a stethoscope with a red and blue chest piece and a red pencil. Above the clipboard is a large syringe. Scattered around are various pills and capsules in different colors (red, white, blue). In the top left, there are two blister packs, one with red pills and one with blue pills. A magnifying glass with a yellow handle is positioned near the top left. In the bottom left, there is a white coffee cup with a grey spoon on a saucer. The entire scene is framed by a green border on the left and bottom.
