

# ROAD MAP

GoogleSlidesThemes.com

“A goal without a plan is just a wish.”

# INTRODUCTION

Shows all the steps in details or create a general roadmap which will show the way from the present situation to your future goals.

A roadmap is a great tool for graphical representation of short- and long-term plans and strategies.

# BENEFITS OF ROAD MAP

Part of the process of developing a **roadmap** is to create a risk **roadmap**, identifying those events or changes in conditions that signal a need to reevaluate and revisit the plan during the development journey.
